

READY FOR CLEP?

Prepare for CLEP Exams in just Days at www.InstaCert.com

Log in for **Instant Online Preparation**

InstantCert is the first to offer 100% online crash-course study materials for CLEP Subject Exams.

100% Online. No Books. No Classes.

Our revolutionary “interactive textbook” study materials are based on the official Collegeboard content outlines for each exam. Our team of developers, made up of professors and professional writers, condense entire college textbooks into a database of questions which teach you the important points and essential vocabulary.

With InstantCert, you get everything you need to pass CLEP Subject Exams. And using our interactive test engine, preparation is not only fast, but interesting!

Course content is updated monthly at no extra cost to you! For the updated list of subject exams, Visit

www.InstaCert.com
